

1. Confirmation:

SL: Your discovery call has been scheduled

PV: N/A

Hey {first_name},

You've officially scheduled our discovery call.

Please do two quick things before you close this...

The first is saving and bookmarking your access now: [LINK].

The second is blocking off about forty-five minutes in your calendar: [LINK].

You can feel free to bring as many questions as possible.

I'm looking forward to it.

- Alfie

P.S. I'll be sending over resources in the next few emails.

2. Unique Mechanism:

SL: The shift that changed everything

PV: N/A

Hey {first_name},

I want to walk you through something before our discovery call.

Staying at the bottom is inevitable when climbing to the top is being left up to chance.

I'm talking about going with the niche that feels right, prioritising quantity over quality, and pulling all of the wrong levers.

This means that you only find out it doesn't work once you're already in too deep, you spread yourself too thin, and you get buried in a corner of the platform.

Every single move that you make should be in agreement with what's already proven to succeed.

I'm talking about picking the niche that makes the most sense, providing real value to the market, and focusing on the needle-moving tasks.

This means that you separate the good from the bad before committing to anything, you stand out amongst the crowd, and you get the recognition that you deserve.

I'll map it all onto your situation and come up with a game plan throughout our discovery call.

I'm looking forward to it.

- Alfie

3. Recap:

SL: Etsy Accelerator in a nutshell

PV: N/A

Hey {first_name},

I don't want you entering our discovery call without any idea of what's on the table.

Etsy Accelerator is where I work with you to skyrocket your Etsy shop to five figures per month in the next 90 days using "The Precision Play."

Here are the main deliverables inside of it:

- One-on-one access so that you can have your hand held the entire way.
- One-on-one coaching calls so that you can tap into all of my knowhow.
- Group coaching calls in order to have concepts explained in real time.
- Course content to be taught absolutely everything.
- A community of others replacing their full-time jobs as nine-to-five workers.

There are also a ton of other bonuses that I'm not even mentioning right now like the *Niche Vault*.

I'm looking forward to it.

- Alfie

4. Case Study:

SL: From twenty-five dollars to nearly twenty grand a month.

PV: N/A

Hey {first_name},

Let me tell you about one of my students.

Her Etsy shop was only making \$25 per month when she came to me.

It's touching nearly \$20,000 per month now.

All that was done throughout that four month period was selecting the right niche, creating a solid product line, and pressing the right buttons.

The only thing standing between her and yourself was the decision to make a change.

You're closer than you think and we'll get into that more on our discovery call.

I'm looking forward to it.

- Alfie

5. Objection Handling:

SL: Let me stop you in your tracks

PV: N/A

Hey {first_name},

I'm going to answer some of my frequently asked questions right now so that we can jump straight into important stuff on our discovery call.

Here are the ones that I've been getting the most lately...

You might think that you'll be pushed into something you're not ready for.

The thing is that the entire purpose of this is to determine whether or not it's a good fit.

You might think that I'll make you feel bad if you decide it isn't for you.

The reality is that I would much rather you walk away than commit while being on the fence.

You might think that you need to have everything lined up beforehand.

The whole point of this is that we fill in all of the blanks together.

You might think that you're walking into it completely blind.

The truth is that I'm going to map your situation and come up with a game plan from there.

We'll clear up anything else that's still on your mind throughout our discovery call.

I can guarantee that you'll find it insightful and helpful anyway.

I'm looking forward to it.

- Alfie

6. Conviction Building:

SL: It's different this time

PV: N/A

Hey {first_name},

I'm sure you understand by now that this is the best approach to replacing your full-time job as a nine-to-five worker.

You might be wondering whether or not it actually makes sense to pursue though.

It's important to understand that there are over ninety million shoppers on Etsy, and only a small handful of sellers running their shops properly.

The goal is wide open as we speak, but it's closing more and more by the day.

The thing is that taking this approach alongside somebody else who's already done it successfully allows you to skip straight past the guesswork.

Our discovery call will give you a chance to learn more about that.

I'm looking forward to it.

- Alfie

7. Reminder / Risk Reversal:

SL: It's going down

PV: N/A

Hey {first_name},

Our discovery call is happening later today.

Let me strip away all of the nerves before we speak with one another.

I want to remind you about my guarantee to continue working with you free of charge if you haven't got your shop doing five figures a month in the timeframe of 90 days.

This means that you're covered right up until the point where it doesn't matter anymore.

The only real way to lose here is by never taking a strike at winning.

All I'm going to ask is that you keep an open mind throughout it.

Here's the link for the discovery call by the way: [LINK]

I'm looking forward to it.

- Alfie

8. Reminder / Urgency & Scarcity:

SL: One hour left

PV: N/A

Hey {first_name},

Our discovery call is happening in about an hour.

I want to be straight with you about the timing aspect.

I'm just taking on fifteen people in this particular cohort and it's only going to be open for the next week.

You want to take immediate action if I've piqued your interest whatsoever.

Our discovery call gives you the chance to do that: [LINK]

Just make sure that you join up on a laptop while sitting inside of a quiet room.

I'm looking forward to it.

- Alfie
