

A1. Nudge:

SL: You don't want to sleep on this

PV: N/A

Hey {first_name},

Thanks for showing up to the free live masterclass earlier.

If you've already submitted your application form, then feel free to ignore this.

If you haven't yet, then this is your nudge to do it.

The excitement will be gone by the weekend, because the value you've just gotten has a shelf life to it.

You can get started with that right here: [LINK]

I can't wait to check it out.

P.S. I'll use that to determine whether or not it's a good fit.

A2. Case Study:

SL: Twenty-five dollars to nineteen grand a month.

PV: N/A

Hey {first_name},

Let me tell you about one of my students.

Her Etsy shop was only making \$25 per month when she came to me.

It's touching nearly \$20,000 per month now.

All that was done throughout that four month period was selecting the right niche, creating a solid product line, and pressing the right buttons.

The only thing standing between her and yourself is the decision to make a change.

A3. Recap:

SL: Etsy Accelerator in a nutshell

PV: N/A

Hey {first_name},

You showed up to the free live masterclass.

This means that you've gotten access to an offer that I'm not making in the same way anywhere else.

I'm talking about *Etsy Accelerator* of course:

- One-on-one access so that I can hold your hand the entire way
- One-on-one coaching calls where you can tap into all of my knowhow
- Group coaching calls where I'll be explaining concepts in real time
- Course content that teaches absolutely everything
- A community of others replacing their full-time jobs as nine-to-five workers

There are also a ton of other bonuses that I'm not even mentioning right now like the *Niche Vault*.

The only setback will be remaining stuck where you are forever.

N1. Nudge:

SL: Here's the replay

PV: N/A

Hey {first_name},

It looks like you couldn't make it to the [free live masterclass](#).

I'll get you right with the replay though: [LINK]

This won't be up forever so give it a watch while you still can.

Let me know what you think.

N2. Recap:

SL: I'm giving you one last chance

PV: N/A

Hey {first_name},

Let me summarize the [free live masterclass](#) for you real quick...

My whole approach to replacing your full-time job as a nine-to-five worker can be boiled down to winging it versus pattern recognition.

Staying at the bottom is inevitable when climbing to the top is being left up to chance.

I'm talking about going with the niche that feels right, prioritising quantity over quality, and pulling all of the wrong levers.

This means that you only find out it doesn't work once you're already in too deep, you spread yourself too thin, and you get buried in a corner of the platform.

Every single move that you make should be in agreement with what's already proven to succeed.

I'm talking about picking the niche that makes the most sense, providing real value to the market, and focusing on the needle-moving tasks.

This means that you separate the good from the bad before committing to anything, you stand out amongst the crowd, and you get the recognition that you deserve.

I've covered absolutely everything around this throughout the [free live masterclass](#).

I'm only keeping the replay up for a little longer.

N3. Pressure:

SL: It's your move next

PV: N/A

Hey {first_name},

Let me remind you why you registered for the free live masterclass in the first place.

You wanted to skyrocket your Etsy shop to five figures per month in the next 90 days using "The Precision Play."

This is without gambling on the niche, having an endless product line, or getting hidden away.

I'm about to take down the replay: [LINK]

Let me know what you think.
