

1. Handoff:

It was great speaking with you earlier.

I figured I would add you to this group chat with myself and Alfie ahead of the discovery call.

You should check out his YouTube channel in the meantime: [LINK]

Can you introduce yourself when you get a chance?

2. Client Interview:

You would get quite a lot of value out of this YouTube video based on our conversation.

Here's the link for it: [LINK]

3. Recap:

I don't want you showing up to the discovery call clueless or anything like that so let me give you a rundown of everything.

Etsy Accelerator has one-on-one access, one-on-one coaching calls, group coaching calls, community, and course content.

There are a bunch of other bonuses like the Niche Vault as well.

4. Reminder / Objection Handling & Conviction Building:

I hope you remember that our discovery call is happening later today.

Let me answer some frequently asked questions beforehand.

Will you push me into something that I'm not ready for? The entire purpose of this is to determine whether or not it's a good fit.

Are you going to make me feel bad if I decide this isn't for me? I would much rather you walk away than commit while being on the fence.

Do I need to have everything lined up beforehand? We fill in all of the blanks together.

Am I walking into it completely blind? I'm going to map your situation and come up with a game plan from there.

It's important to keep in mind that there are over ninety million shoppers on Etsy, and only a small handful of sellers running their shops properly.

Taking this approach alongside somebody who's already had success with it also lets you skip straight past the guesswork.

Feel free to come with as many questions as possible: [\[LINK\]](#)

5. Reminder / Risk Reversal + Urgency & Scarcity:

I wanted to let you know that our discovery call is going down in about an hour.

Let me take the weight off your shoulders first.

I'll keep working with you free of charge if you haven't got your shop doing five figures a month in the timeframe of 90 days.

It's also important to mention that I'm just taking on fifteen people in this cohort and the doors are only staying open for the next week.

You want to take immediate action if I've piqued your interest whatsoever.

I would recommend keeping that in mind: [LINK]

6. Reminder:

It's time for your discovery call.

I've been sitting in the waiting room for a little.

Hop on it: [LINK]
