3. Unique Mechanism:

SL: How does this even work?

PV: N/A

Hey {first_name},

I want everybody that's registered for the free live masterclass to understand the best approach to replacing your full-time job as a nine-to-five worker.

Staying at the bottom is inevitable when climbing to the top is being left up to chance.

I'm talking about going with the niche that feels right, prioritising quantity over quality, and pulling all of the wrong levers.

This means that you only find out it doesn't work once you're already in too deep, you spread yourself too thin, and you get buried in a corner of the platform.

Every single move that you make should be in agreement with what's already proven to succeed.

I'm talking about picking the niche that makes the most sense, providing real value to the market, and focusing on the needle-moving tasks.

This means that you separate the good from the bad before committing to anything, you stand out amongst the crowd, and you get the recognition that you deserve.

I'll be teaching absolutely everything around this inside of the free live masterclass.

See you there.

- Alfie

4. Narrative:

SL: Made it out the mud

PV: N/A

Hey {first_name},

It all started when I was a young lad living in the United Kingdom who wanted time, location, and financial freedom.

I grinded away at a Shopify store that did six figures in revenue but barely pocketed anything.

This transitioned into running some Etsy shops which hit five figures per month hands free.

I've gone on to make over \$360,000 with them while living my best life.

I'm now teaching others how to do the same and building a software for it.

The ninety minutes that you spend on it could genuinely change the trajectory of your life.

See you there.

- Alfie

5. Future Pacing:

SL: This makes all the difference

PV: N/A

Hey {first_name},

I want you to imagine something for a second.

You are sitting at home on a regular weekday instead of being at the office.

You open your laptop to check your Etsy dashboard real quick.

You see that your store is sitting at yet another five-figure month.

This is literally the life that "The Precision Play" has created for me.

The only difference between you and I is the approach that we took to replacing our full-time jobs as nine-to-five workers.

See you there.

- Alfie

6. Sneak Peek:

SL: I'll let you in on a little secret

PV: N/A

Hey {first_name},

Everybody's been asking what I'm going to cover on the free live masterclass.

Here's a sneak peek into the three pillars...

The first pillar is how to select winning niches.

It all starts with knowing what's actually worth it from the get go.

The second pillar is how to create incredible products.

This is the bread and butter of the business model.

This is where you turn those niches into products that actually stand out.

The third pillar is how to outperform all of your competitors.

These are the moves that give you a monopoly over page one.

I hope you know that the ninety minutes that it consumes are going to be so worth it.

You will ultimately be learning to skyrocket your Etsy shop to five figures per month in the next 90 days using "The Precision Play."

The cherry on top will be a Q&A for the ones that stay until the end.

See you there.

- Alfie

7. Objection Handling:

SL: Your prayers have been answered

PV: N/A

Hey {first_name},

I'm getting a lot of questions about the free live masterclass.

Let me speak into some of the big ones...

You might think that ninety minutes isn't enough to learn it all.

The thing is that I've stripped this down to what actually makes a difference.

You might think that this is all available on YouTube anyway.

The whole point of this is to hand you the full picture rather than scattered pieces of it.

You might think that it'll turn into one long sales pitch.

The reality is that I'm teaching it all whether you work with me or not.

You might think that you'll miss out if you can't make it live.

The truth is that being there in person really helps for interaction.

I can guarantee that you'll walk away with more than you had to begin with either way.

See you there.

8. Addressing:

SL: Why am I making this free of charge?

PV: N/A

Hey {first_name},

I'm just going to be straightforward with you because I get asked this all the time.

It's a common misconception that I have to choose between doing it myself or helping others, even though I can in fact do it myself and teach others.

I'm a player and a coach at the end of the day.

This also gives me the chance to learn from everybody who gets results afterwards.

See you there.

- Alfie

9. Reminder / Recap:

SL: It's game time

PV: N/A

Hey {first_name},

The day has finally arrived.

I'm going live at *7:00 PM WITA*.

Here's what I'll be covering tonight...

- How to select winning niches.
- How to create incredible products.
- How to outperform all of your competitors.

I've simplified everything so that you're ready to go within the span of ninety minutes.

Would skyrocketing your Etsy shop to five figures per month in the next 90 days using "The Precision Play" be worth that?

I'll do a Q&A for everybody that stays until the end.

- Alfie

P.S. Join from your laptop in a quiet room for the best experience.

10. Reminder / Conviction Building:

SL: One hour left

PV: N/A

Hey {first_name},

Someone in your position is about to learn to skyrocket their Etsy shop to five figures per month in the next 90 days using "The Precision Play."

They won't be better than you are or have more potential than you do.

This person just decided to show up to the free live masterclass.

I'll be going live in about sixty minutes and covering absolutely everything with you.

There will also be a Q&A going down towards the end.

Most of the people that registered for it won't even show up, because they've told themselves that they can check it out another time, but they can't.

See you soon.

- Alfie
