

1. Confirmation:

You guys are officially registered for the free live masterclass this Sunday at 7PM WITA.

I'll be dropping the link and pinning it to the description closer to the time.

It's worth blocking off about ninety minutes in your calendar too.

You can grab the Niche Vault in the description as well.

2. Lead Magnet:

Your free gift is ready by the way guys.

The Niche Vault is pinned in the description right now.

3. Unique Mechanism:

I want you guys to know the best approach to replacing your full-time job as a nine-to-five worker.

Staying at the bottom is inevitable when climbing to the top is being left up to chance.

Every single move that you make should be in agreement with what's already proven to succeed.

I'll be teaching absolutely everything around this inside of the free live masterclass.

4. Narrative:

Let me give you guys some context about myself.

It all started when I was a young lad living in the United Kingdom who wanted time, location, and financial freedom.

I grinded away at a Shopify store that did six figures in revenue but barely pocketed anything.

This transitioned into running some Etsy shops which hit five figures per month hands free.

I've gone on to make over \$360,000 with them while living my best life.

I'm now teaching others how to do the same and building a software for it.

This free live masterclass is going to be an absolute banger.

5. Future Pacing:

I want you guys to imagine something for a second.

You are sitting at home on a regular weekday instead of being at the office.

You open your laptop to check your Etsy dashboard real quick.

You see that your store is sitting at yet another five-figure month.

This is literally the life that "The Precision Play" has created for me.

The only difference between you and I is the approach that we took to replacing our full-time job as a nine-to-five worker.

I'm putting you onto this inside of the free live masterclass.

6. Sneak Peek:

You guys keep asking me what the free live masterclass is all about.

Let me give you a sneak peek into the three pillars that I'll be going through.

The first is how to select winning niches.

The second is how to create incredible products.

The third is how to outperform all of your competitors.

There's going to be a Q&A too for the ones that stick around until the end.

7. Objection Handling:

I hope you guys are fine with me reading your minds real quick.

Is ninety minutes really enough to learn it all? I've stripped this down to what actually makes a difference.

Isn't this all available on YouTube anyway? The whole point is to hand you the full picture rather than scattered pieces of it.

Will it turn into one long sales pitch? I'm teaching it all whether you work with me or not.

What if I can't make it live? Being there in person really helps for interaction.

I'll get into everything else inside the free live masterclass.

8. Addressing:

You guys have been asking me why the free live masterclass is free of charge.

It's a common misconception that I have to choose between doing it myself or helping others, even though I can in fact do it myself and teach others.

I'm a player and a coach at the end of the day.

I also get to learn from everybody who gets results afterwards.

This is pretty much what's in it for me.

9. Reminder / Recap:

Today is the day people.

I'll be going live at 7:00 PM WITA and walking through the three pillars then doing a Q&A towards the end.

It's so clear and concise that you should be set after only an hour and a half.

Just make sure that you join from your laptop in a quiet room if you want to get the most bang for your buck.

I'm going to pin the link in the description and send it through a little later.

10. Reminder / Conviction Building:

The free live masterclass is going to be rolling within the next hour.

Someone in the exact same spot as you is about to get all the sauce.

They won't be better than you are or have more potential than you do.

This person simply decided to show up for it.

Just remember that I'm running a Q&A at the end too.

You don't want to be one of those people who register but don't attend.

The link is pinned in the description but you can also get it here: [LINK]

11. Reminder:

I'm on the air as we speak.

The room's filling up quite a bit and I'm about to get into the first pillar.

Here's the link for it or check what's pinned in the description: [LINK]

12. Reminder:

You guys have still got time to hop inside the free live masterclass.

The real value is about to start though.

Jump in while you still have the chance: [\[LINK\]](#)
